Mr. Thomas Martin  
Texas Corrugators – Austin Division LLC  
105 Tradesmens Park Drive  
Hutto, TX 78634

Dear Mr. Martin:

The Texas Department of Transportation (TxDOT) Traffic Safety Division approves the use of the Texas Corrugators Clamp Style Casting using a 2-bolt clamping system. TxDOT has reviewed the slipbase casting and confirmed that it has been manufactured according to the Fabrication Drawings for the Texas Triangular Slip Base. TxDOT has also sampled and tested the product in several districts and found that it performed in a favorable manner.

If applied in accordance with manufacturer's directions, TxDOT approves the use of this product when contract documents require the installation of a triangular slipbase sign support system.

This letter shall not be considered a product endorsement. If you have any questions, please call Barbara Russell at (512) 416-3120 or me at (512) 416-3200.

Sincerely,

Signed by:
